

A simple twist to working together better.

Bring your people, tools, and information together in one place.

Simplify the way you work together with Microsoft® Office Groove® 2007. Connect to the people, information, and tools you need to get the job done. Cooperate with coworkers, suppliers, and partners, whether they are in the next office, across town, or in another part of the country. Communicate using chat/instant messaging. Easily share and revise files of any type or size. Set up meetings with shared calendars, and more.
